### **Flexibility, Efficiency, and Modernization in Child Support Enforcement Programs Final Rule**

**Wednesday, August 21, 2024, noon – 1:00 p.m.**

Location: Ag Commissioner Conference room, 142 Garden Highway, Yuba City

The topic for this month's educational presentation is The Flexibility, Efficiency, and Modernization (FEM) in Child Support Enforcement Programs Final Rule changes that are taking effect on September 1, 2024 per CA Senate Bill 343. Some of these changes include increased support via pass through to aided cases, changes to the guideline formula and calculator, prorated apportionment of child support add-ons, prove up hearings versus presumed full-time minimum wage, increased court discretion to deviate from guideline, and administrative adjustment for incarcerated obligors.

Our presenters for this month are:

**Lizette Perez**, a Child Support Attorney with the Colusa Sutter Yolo Regional Child Support Agency (CSY RCSA), formerly Sutter County Department of Child Support Services, since May 2019. Lizette handles all the agency's cases in Sutter County as well as any special enforcement and bankruptcy filings. She is originally from the Bay Area but now enjoys making her home in the Sacramento area and working in the Yuba Sutter community.

**Anne Glanzer** is the Lead Attorney with CSY RCSA. She started back in May of 2000 as part of the Yolo County District Attorney's office, assigned to the Family Support Division. Although originally interested in being a Deputy DA, by the time the child support program began moving away from criminal enforcement, she knew she had already found her niche and has never left the program. Anne obtained her degree in History, with a minor in English, at UC Davis. She then went on the McGeorge School of Law to get her JD. When away from the office, she tries to get out and travel, read a good book and enjoy time with family.

This meeting will qualify for 0.5 hours of MCLE.

There is no cost for this meeting.

YSBA will provide pizza for lunch.

**Note: Please do NOT park in the front of the building which is reserved for customers.** Instead, please park in the lot to the north side of the building or behind the building. There is also overflow parking in the gravel lot to the rear of the property.

Please RSVP to [mpoulos@suttercourts.com](mailto:mpoulos@suttercourts.com), by 4:00 p.m. on Wednesday, August 14, 2024.
